Q3: What is the difference between a degree program and a diploma program?

Answer:

Degree programs are bachelor's programs that prepare students for professional success. Diploma programs are shorter, focused courses that build practical, industry-relevant skills for career readiness, and open pathways to employment and further study.

Q4: Which college offers each program?

Answer:

- College of Computer and Information Sciences: BSIT, DIT
- College of Education: BSED-EN, BSED-MT
- College of Business Administration: BSBA-HRM, BSBA-MM
- College of Engineering: BSECE, BSME
- College of Office Administration and Business Studies: BSOA, DOMT-LOM
- College of Social Sciences and Development: BSPSY

Q5: Does PUP Taguig offer an IT program?

Answer:

Yes. PUP Taguig offers the Bachelor of Science in Information Technology (BSIT), which prepares students for IT careers through intensive training in systems development, and the Diploma in Information Technology (DIT). BSIT holds AACUP Accreditation Level 3.

Q6: Does PUP Taguig offer engineering programs?

Answer:

Yes. The College of Engineering offers two programs, both at AACUP Accreditation Level 2:

- BS Electronics Engineering (BSECE) – design, development, and application of electronic systems and technologies.
- BS Mechanical Engineering (BSME) – mechanical systems, design, manufacturing, and energy conversion.

Q7: Does PUP Taguig offer education (teaching) programs?

Answer:

Yes. The College of Education offers:

- BSSED Major in English (Level 3) – prepares competent, passionate English teachers for the secondary level.
- BSSED Major in Mathematics – develops mathematics educators with strong analytical, critical thinking, and problem-solving skills.

Q8: Does PUP Taguig offer business and office administration programs?

Answer:

- BSBA Major in Human Resource Management (Level 2) – talent acquisition, employee relations, and training.
- BSBA Major in Marketing Management (Level 2) – knowledge and practical skills in marketing.
- BS Office Administration (Level 2) – managing modern office operations as skilled administrative professionals.
- DOMT with Specialization in Legal Office Management – diploma program for legal office work.

Q9: Is there a psychology program?

Answer:

Yes. The BS Psychology (BSPSY) program under the College of Social Sciences and Development provides a strong foundation in understanding human behavior and mental processes.

Quality and Accreditation**Q10: Are PUP Taguig programs accredited?**

Answer:

Yes. Most PUP academic programs are accredited by the Accrediting Agency of Chartered Colleges and Universities in the Philippines (AACCUP), and the programs are CHED-recognized.

- Level 3: BSIT, BSSED-EN
- Level 2: BSBA-HRM, BSBA-MM, BSECE, BSME, BSOA

Click a program on the Degree Programs page to view its accreditation level, validity, and accrediting institution.

Q11: What makes PUP's academic programs stand out?

Answer:

- Quality – education that meets standards of quality and excellence.
- Relevant – learning and skills that keep students competitive and resourceful.
- Flexible – Open University and distance learning for working students.
- Accredited – most courses accredited by AACCUP.
- Affordable – free tuition for qualified undergraduate students under RA 10931.

Costs and Study Options

Q12: Is tuition free at PUP?

Answer:

Tuition is free for qualified students. As a state university, PUP is covered by Republic Act No. 10931, the Universal Access to Quality Tertiary Education Act, which provides free tuition and miscellaneous fees for qualified Filipino students in undergraduate programs.

Q13: Are there flexible study options for working students?

Answer:

Yes. PUP offers programs that adapt to students' living conditions, especially for the working class. The Open University and distance learning go beyond the physical restrictions of a campus.

Academic Calendar and Resources

Q14: When do classes start, and how is the school year divided?

Answer:

The PUP academic year usually follows this schedule:

- 1st Semester: August to December
- 2nd Semester: January to May
- Summer Term: June to August

Exact dates for enrollment, classes, examinations, and holidays change every year. Always check the official PUP calendar: <https://www.pup.edu.ph/about/calendar>

Q15: Where can I see the official academic calendar?

Answer:

Open the University Calendar page (<https://puptweb.isaxbsit2027.com/academics/university-calendar>) or go directly to the official PUP calendar: <https://www.pup.edu.ph/about/calendar>. If the embedded calendar does not load on your device, use the Open Official Calendar button.

Q16: What library services are available?

Answer:

The campus library is in Building B. The University Library's Citizen's Charter lists its services, which support learning, research, and access to academic information:

<https://puptweb.isaxbsit2027.com/about/citizens-charter>
